Dear June,

Here we are in our last week of school. To us, Seniors, it doesn't hardly seem possible that we shall be graduating a week from today. We realize now how wonderful our high school days have been. To the remaining classes at A. H. S., we the Seniors of '55 wish you the best of luck in order that you may attain much success through out your high school career.

The Senior Class is presenting a chapel program tomorrow to the student body. At that time our gift to the school will be presented by our class president, Robert Leffers. Others participating in the program will be Ronnie Lewis, John Rothgeb, Mary Watt Stanley, Shirley Blanks and Ruth Slagle. These people will be backed by the entire class.

It seems as though most of our news this week is concerning Seniors. Class Night is to be Friday, June 3rd, therefore, our class has been spending a great deal of time on this activity. Graduation Day is June 7th. Will you be able to attend this wonderful but sad event? I imagine this week is rather rushed at Madison too, with all the graduation celebrations.

Last Thursday evening the Junior Class entertained the Seniors with a most enjoyable Prom. The music was wonderful, the food delicious and the decorations beautiful. We were very grateful to the Juniors for their every effort in making this occasion such a delightful one.

Our baseball team ended its season Wednesday afternoon by challenging up a victory over Buckingham Central High School. They had a most successful season, with a record of nine wins, with only one loss. Those playing their last game for A. H. S. were: Captain Teddy Mitchell, John Rothgeb, Frank Cawthorne, Pete Baber, Orie Millner and Jerry George.

This is Exam week, and you should see the studying that is going on around here. Maybe, if we had done a little more of this earlier it would not be so necessary now! Anyway, it will be all over for us Thursday afternoon . . pleasant thought — no more Exams.

In closing, I would like to express to Mr. and Mrs. Calvin Robinson my appreciation for being asked to be the High School Reporter for the Times-Virginian, and for their patience on those occasions when the news was later than it should have been. Even though I couldn't always get it there on time, I have considered it an honor and privilege to have been their School Reporter.

To my readers, I would like to express my thanks to you for taking time to read my article each week. I hope that next year's reporter will enjoy this assignment as much as I have.

To you, June, it has been fun keeping you up-to-date on the happenings around A. H. S. I would like to end my letter today with a quotation, which I think would serve as a very suitable guide to all of us:

"Today well lived
Makes every yesterday a dream of happiness
And every tomorrow a vision of hope."

Good-bye and good luck,

Jane.

(Editor's note: Each fall this paper selects a Senior student to be our reporter at A. H. S. We have had an outstanding group through the years. Thanks to Miss Holt for having accepted this assignment, and for her diligence in performing its duties.)
